HANSON CONCRETE TROPHY

600 Yards

15th June 2013

Conditions for the Hanson Trophy at 600 yards were the best for a long time with a very light breeze from the right of between 1 and 2 degrees. Just about everyone reached their limit on handicap. Several possible were shot with a special one for our youngest member, 11 year old Scott Larsen who was also top off rifle for F Standard. Well done Scotty. T Klose and J Taylor also scored possibles. S Klose was event winner and J Hoerisch was top off rifle for TR. Snipers were T Otto (FS) and A Helbig (TR). Two visitors, Harraison and Ethan tried out with short single rounds. Hope to see you both back again. Next Week: Mully's Home Maintenance Service Trophy 800 Yards.
